Sir,

Re appointing a Junior Sanitary Inspector to Holenarsipur Town Municipality

---

I have the honor to state that the Municipal President, Holenarsipur has intimated that there is no vaccinator in this Municipality for the 4 years and it has become very necessary to employ a Junior Sany Inspector for taking up mass vaccination It may not be possible for the Senior Sanitary Inspector to attend to vaccination work satisfactorily in addition to his own duties The District Health Officer, Hassan is of opinion that there is need for a Junior Sanitary Inspector since it is difficult to post a Vaccinator for want of trained hands

The Municipal Council have agreed in their resolution dated 25-8-1947 to employ an Assistant Sanitary Inspector permanently for attending to mass vaccination The pay of the Junior Sanitary Inspector is ₹35-2-55 and a cycle allowance of ₹5/- is admissible in the Municipalities The sanctioned scale of the vaccinator to this Municipality is ₹30/- p in his place a Junior Sanitary Inspector can be appointed on a pay of ₹35/- with a cycle allowance of ₹5/- p m The appointment of an Asst Sanitary Inspector on ₹35/- instead of a Vaccinator on ₹30/- would be advantageous to the Municipality The extra cost will be met out of the closing balance for the current year

I request that sanction of Government may kindly be obtained to the resolution of the Municipal Council in the matter A copy of the resolution is enclosed

I have the honor to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Hassan District
